

Big Data R&D Connector Event

October 20, 2015 (5:30 pm)

Join us at 5:30pm on October 20th as we match today's toughest big data challenges with the region's best and brightest minds.

Companies - Pitch your R&D challenges and learn more about the researchers who can solve them.

Researchers – find new and exciting industry partners and identify new R&D projects.

About the event:

This event is composed of 2 sets of “speed-pitches” where companies and researchers pitch to each other in a series of 3 minute presentations.

Industry goes first following by a networking break and then the researchers will follow.

Funding agencies will also be on hand to answer any questions you might have about funding or exciting new project ideas.

Apply to become a pitcher here: <https://bdconnector.eventbrite.ca> You must apply by no later than October 2nd.

Why Attend:

- Get new ideas that help your business
- Meet potential R&D collaborators
- Learn about R&D funding opportunities

Topics to be addressed include:

- Open Data
- Intelligent Cities
- Mobile
- Web Analytics
- Text Analytics
- Business Analytics

Everyone is welcome, you can also register as an audience member here: <https://bdconnector.eventbrite.ca>. Registration closes October 19th, this is a free event.
